We invite you to

THE SILK RIVER INDIA WALK

A BESPOKE 12-DAY INTERNATIONAL RESIDENCY

December 6-17, 2017

A Journey of Surprises!

Participate in this International Residency with a group of contemporary artists, historians, writers and musicians from UK and India for the Silk River India Walk 2017 – a culmination of an ambitious project exploring the unique relationship between London and Kolkata through an artistic exchange between communities along the Thames Estuary and India’s Hooghly River.

Traversing the journey together from Murshidabad to Kolkata by boat, foot and train, participants will find inspiration in shared heritage and history, and discover the stories that each place offers, providing a rare opportunity to explore and engage with the Silk River artists and participants.

Silk River 2017

They will engage with local artisans and communities along the way, participate in curated events comprising talks, workshops and film screenings, exchange skills and have the opportunity to create an individual or collective artistic response.

For details on the walk, application and fees, please mail: tamali@thinkarts.co.in
